

MAYFACS ♥ UKRAINE SUPPORT HUB ♥

MAYFACS have set up a Ukraine Support Hub within the parish of Mayfield and Five Ashes to support our new residents upon arrival to our community.

The Hub is a central place to come to get the important items our families may need when they arrive, and to get the information and support to help them to settle in the UK.

We will be organising specific activities for our Ukrainian friends, whilst also encouraging participation in some of the amazing activities already running within our community.

We are overwhelmed by the generosity of everyone in our parish, and we know that our new families feel the same!

On behalf of the Mayfield and Five Ashes Community.....

Вітаємо вас у наших селах!
