Follow us on facebook - MAYFACS Shed

MAYFACS' main objective is to help alleviate loneliness & isolation by providing a range of activities for all ages and to support other organisations in our local community.

The Shed is just one of our community projects bringing people of all ages together sharing skills and knowledge in a friendly, encouraging and safe environment.

The building comprises two rooms: a workshop with a selection of wood and metal working machines and workstations; the second has space for quieter activities and socialisation.

Both rooms are equipped with facilities to have virtual contact with those who may not be able to be there in person.

There is an outside area for those bigger projects as well as learning skills such as bee keeping.

The aim is for the members, usually referred to as 'Shedders', to be involved in the running of the Shed, and to shape the activities themselves working with the guidance of the MAYFACS team.

The Shed will be open at set times and shedders will be able to book slots attending

as little or as often as they like. They can work on their own projects or work collectively on community projects - eg Twiddleboards for those living with dementia, and projects in the local community. There will be workshops & other craft activities.

If you have no idea what the tools are or how to use them, there will be people there to help you.

Local organisations will be able to use the facilities.

You don't have to live in Mayfield or Five Ashes to use the shed. MAYFACS is for everyone in the surrounding area as well.

The Shed's socialisation area is a space to just to have a cuppa and chat with other shedders, as well as workstations for quieter work such as electronics or small repairs. There is wi-fi connection and two computers for anyone to use. There will be people on hand to help and guide you if you wish to learn more about using the computer.

Want to know more, arrange a visit, or have an idea for an activity?

Telephone us 01435 873888 and leave a message (we will ring you back),. email theshed@mayfacs.org.uk or Complete the form below and pop it in the MAYFACS letter box (room attached on the field side of Mayfield Memorial Hall). NB By completing the form below you are agreeing to us keeping your contact details)
