Volunteering for MAYFACS

Community Car Drivers Needed! Expenses are reimbursed for your costs of travel.

Our Community Car Service runs every day of the week for those who need to access medical appointments but cannot get there any other way. In the last 4 months, requests have increased by 60% which could mean an additional 200+ drives this year! More appointments are being scheduled for Saturdays to get people the medical care they need in hospitals that are getting through waiting lists. This means we really do need more help to support this vital service for our community.

Do you work Monday to Friday, and would love to volunteer for MAYFACS, but only available on Saturday's? Do you have any spare time to undertake a drive every now and then? Do you know if your Employers offer matched volunteering time as part of their Corporate Social Responsibility programme?

Community Car Volunteers can choose what how often they are available to drive for us and the more drivers we have, the more this shares the support needed. You can also choose whether you prefer to support local drives within our Parish or travel further afield. It really can be flexible around what you can offer. **Expenses are reimbursed for your costs of travel.**

The service is open to anyone who needs help getting to medical appointments, and it really does make a huge difference. For more information, please contact becky@mayfacs.org.uk. Please do contact up if you are interested in becoming a community car driver or any other volunteering role within MAYFACS.

Support Services

MAYFACS UKRAINE SUPPORT HUB

The support email address (Ukrainesupport@mayfacs.org.uk) continues to be available at all times and our phone line which is checked daily Monday to Friday (01435 873888) for any further support required, or please visit us at our office anytime to say hello. Our weekly **English Lessons** are at MAYFACS office every Tuesday 10.30 – 12.30 weekly at London House and are available for all our Ukrainian friends at various levels. Please contact the email above to register interest in attending as dates and times of the sessions may change.

Support for All on our website: www.mayfacs.org.uk

We have been developing our support sections on our website and now have specific areas focusing on **Youth Support** and **Dementia Support** available to everyone within our community and the surrounds. This is on top of signposting for financial and other support. Please do visit our website if you need any advice or help, or come into the office and chat with the team.

MAYFACS SUPPORT SERVICES

MAYFACS has many services to help you should you need any additional support at any time. All requests will be treated in the strictest of confidence, and our team will do everything we can to ensure you have access to any help that you need - be it financial, personal, social or medical.

Everyday Support Services

With our incredible team of volunteers, we can support you should you need help with emergency shopping, collecting prescriptions, getting to our activities, navigating other support services and agencies, as well as borrowing a wheelchair, DVD or Jigsaw! If you need us for anything, please just get in touch, and if we can't help, we can tell you who can! We are here for everyone within our community.

Community Car Service

Our Community Car Service ensures you can get to medical appointments when you may have no other way to get there and is open to anyone who needs to use it. Our growing team of volunteers can drive you to these appointments and get you safely home again. Whether it is a local appointment, or further afield, please contact us. This is a paid for service – literally covering the cost of providing the service and fuel for our drivers, however, if cost is a concern, please always let us know and we can look at ways we can support this for you.

Community Fridges

Community Fridges are available at Heathfield, Hailsham and Uckfield and are open to anyone, no questions asked, to collect food as and when you need it. They are there to prevent food waste and support our environment by ensuring food goes to a home. They receive donations from supermarkets, cafes, local produce suppliers, and other generous donors, as well as the general public.

Food Bank Referrals

We are able to make referrals for families and individuals to local foodbanks for anyone in need of this support, be it short term or longer. Parcels are created for you, and specific requests/dietary requirements can also be accommodated. Collections or deliveries to your house are both available. Anyone who wishes to donate food to the local foodbanks can do so at their local supermarkets and help support others in need.

MAYFACS Hardship Fund

You may be finding it difficult to make ends meet following the recent pandemic and cost of living crisis, or through a change in living or family situation. If you are finding it difficult and need some extra support, and live or work within Mayfield and Five Ashes, do contact us in confidence to discuss how we can support you through our Hardship Fund or email hardshipfund@mayfacs.org.uk
