"Tea & chat is so good for her. She was getting old and frail and now look at her, mingling and chatting with everyone in the room. She's got her old spark back...."

"It's always a joy to enjoy the company of our fellow travellers and the attentive care of our MAYFACS drivers. Our visits and outings with MAYFACS are always delightful no matter how they vary from interesting visits to beautiful gardens, fish and chip lunch at the seaside or more elaborate adventures to Hever Castle or The Bluebell Railway."
